(682) 306-1109 | tandelkalpashree@gmail.com
Portfolio: linktr.ee/kalpashreetandel

PROFESSIONAL SUMMARY

Associate Producer with commercial and editorial production experience spanning pre-production through shoot-day execution. Coordinated large-crew logistics, celebrity talent movements, locations, call sheets, and art/set/props alongside lead producers. Brings on-set problem solving, recent U.S. testimonial-video experience, and a master's with a Digital Video concentration.

CORE PRODUCTION SKILLS

Production Coordination • Pre-Production • Shoot-Day Execution • Call Sheets & Scheduling
Crew Logistics • Talent & Casting Coordination • Location Recce • Art/Set & Props Coordination
Production Documentation • On-Set Problem Solving • BTS Video • Digital Video Production

PROFESSIONAL EXPERIENCE

TWISM DESIGN PRODUCTIONS

Associate Producer | Mumbai, India | July 2019 – August 2021

- Coordinated commercial and editorial productions under the lead producer, including projects for Chopard, Fossil, Armani Exchange, and Diesel; some involved approximately 250–300 personnel.
- Coordinated talent movements, cast/model arrivals, and celebrity entourage schedules on projects involving Deepika Padukone, Ranbir Kapoor, Varun Dhawan, and Aditya Roy Kapur.
- Translated creative briefs into production requirements; conducted location recces independently and with creative teams, documented sites, and prepared location presentation decks.
- Prepared crew lists and contacts; created and distributed call sheets based on production schedules and arranged transportation for key creative and production personnel.
- Liaised with casting companies, reviewed profiles and preliminary selections, checked potential talent for brand/contract conflicts, and prepared casting decks.
- Worked with art directors on set and prop requirements; built prop lists, sourced and tracked props through return, and checked on-set execution against creative requirements.
- Monitored timelines and crew flow through wrap; coordinated catering, holding/break times, transport, and spot crew, resolving last-minute issues across departments.
- Coordinated crew COVID testing approximately 48 hours before shoots, collecting crew information and arranging testing so results were available on time.
- Coordinated DIT/data requirements and handoff, and end-of-day crew payments in conjunction with finance; captured BTS footage using a phone and gimbal.
